FACULTY POSITION IN ENTREPRENEURSHIP AND INNOVATION - ASSOCIATE OR PROFESSOR INNOVATION MANAGEMENT

Successful candidates are expected to start by January 2020.

THE POSITION

emlyon business school seeks to appoint a faculty member at the Associate or Full Professor rank in Innovation management. Applicants need to be ready to teach different courses ([e.g.](#), innovation, innovation management, innovation and entrepreneurship) offered by the disciplinary group in Entrepreneurship and Innovation.

This position is open for **emlyon business school's** European campuses (Lyon / Paris / St Etienne) and is mostly dedicated to teaching and pedagogical innovation. Language of instruction is both English and French. However, speaking French is not a requirement and for non-French candidates support in learning French will be offered.

We are looking for an internationally oriented, ambitious yet collegial scholar who will contribute to the existing lines of pedagogy and teaching within the Entrepreneurship and Innovation group, specifically innovation.

Salary and conditions are competitive and will be commensurate with qualifications and experience.

About the Entrepreneurship & Innovation Group

The group contributes to several programs at the bachelor's, master's, research master's levels and to the Ph.D, as well as executive education. The group covers a variety of interests and backgrounds, and embraces a number of different teaching approaches and methods with a keen focus on quality. We focus on applied as well as fundamental teaching and development. Entrepreneurship and

innovation knowledge, skills and abilities are central to students at **emlyon business school**.

THE SCHOOL

emlyon business school, one of the leading French Grandes Ecoles in Management, has consistently been ranked among the top European Business Schools. It holds triple accreditation (AACSB, EQUIS, and AMBA) and offers a wide range of programs including an MSc in Management, Specialized Master's degrees, MBA, PhD, as well as open and tailor-made executive programs.

emlyon business school has campuses in France (Lyon, St-Etienne and Paris), China (Shanghai) Morocco (Casablanca) and India (Bhubaneswar).

Having celebrated its 140th anniversary in 2012, **emlyon business school** is a dynamic and innovative institution with a 144-strong faculty dedicated to develop excellence both in teaching and research thanks to unique and specific means. emlyon's motto is "early makers". This concept reflects our vision of the entrepreneur: an individual who tries, experiments, makes mistakes, starts again and learns as they go. An entrepreneur must now combine this dimension of doing and doing quickly with the ability to anticipate, mix and nurture ideas, see things before others and do things quicker than others. The entrepreneur from emlyon business school is a maker and an early mover. He/she is an early maker.

THE ENVIRONMENT

emlyon business school is at the center of a vibrant ecosystem of large universities with excellent research teams in engineering, computer science, natural sciences, social sciences, and the humanities (see: <http://www.onlylyon.com/en/discover-lyon/education.html>).

Lyon is the second largest city in France, and the heart of one of the main economic regions in Europe, with a long tradition in entrepreneurship, and especially a strong digital industry.
