## **Professors/Associate Professors in Entrepreneurship/ Marketing/ Strategy/ Entrepreneurial Finance**

### **About the positions**

Several permanent 100 % positions as Professor/Associate Professor in Entrepreneurship/ Marketing/ Strategy/ Entrepreneurial Finance are available at the School of Business and Law, University of Agder, Norway. The positions are located at the Department of Economics and Finance at Campus Kristiansand.

The School of Business and Law, which is AACSB accredited, has approximately 2000 students and 100 faculty members and offers studies in business administration, HR, marketing, tourism management, law and innovation, at the bachelor, master and PhD level with many applicants for these study programs.

### **Responsibilities**

The School of Business and Law seeks applicants who will contribute to a new and innovative master program in entrepreneurship. The program will be a so-called venture creation program aimed at delivering state-of-the art entrepreneurship education while enabling students to actually start businesses in parallel with the academic experience. Thus, we are looking for candidates who will contribute to:

- maintaining high-quality study programs as well as high-quality research teams
- strengthen interaction with business
- attract external research funding
- take part in developing executive education
- perform teaching, mentoring and cooperation with colleagues
- continue involvement in state-of-the-art research and outreach activities

### **Required qualifications**

- PhD-degree, or equivalent, with specialization in the respective areas
- fluency in oral and written English
- experience with teaching at BA and or MA level

For more information, including details about desired qualifications and personal qualities, see [www.uia.no/en/vacancies](http://www.uia.no/en/vacancies)
