### ABOUT THE FINANCE DEPARTMENT

The Department consists of over 25 full-time academic staff. The School provides ample resources to support a variety of research interests and activities (Business Source Complete, WRDS, Thomson Reuters Eikon, Datastream and Bloomberg among others), and has comparative advantage in

promoting cross-disciplinary research that is needed in the modern business world. The School maintains an excellent network with overseas institutions for collaborative work. Over the last few years, faculty members from the Finance Department have been successful in publishing their research papers in top-tier refereed international journals in areas of (amongst others): executive compensation, internal capital markets, corporate governance, capital structure, economic consequences of ownership structures, M&A activities, corporate spin-offs, dividend policy, corporate social responsibility, entrepreneurship and small business economics.

## **JOB QUALIFICATIONS**

The candidate is expected to show evidence of strong teaching skills and/or professional experience and a commitment to research excellence. He/she will teach at undergraduate, graduate and postgraduate levels and also contribute to the design and development of the Department's programs.

Applicants should possess a PhD in Finance/Financial Economics and be able to provide evidence of publications (and/or demonstrate the potential to publish) in reputable academic journals. Applicants should be completely fluent in English as all courses will be taught in this language. Prior knowledge of French is not required as the School will provide French courses to faculty members.

**Applicants for the post of Assistant Professor should have the potential to secure publications in top-tier refereed journals. For appointment at the Associate or Full Professor level, applicants are in addition required to have (a) extensive higher education teaching and relevant research experience; (b) a strong publication record in top-tier refereed journals; and (c) good networks in both academia and professional circles at regional and international levels. Candidates with less experience will be considered for appointment at Assistant Professor level.**

## **SALARY RANGE**

The salary is competitive. Housing search assistance is provided by IÉSEG. Employees also benefit from French social security benefits, complementary health insurance and a contributory pension scheme.
