ABOUT SKEMA BUSINESS SCHOOL

SKEMA Business School, one of Europe's fastest growing business schools, is an EQUIS, AACSB and AMBA-accredited academic institution. It currently operates on five continents with campuses in France (Lille, Paris, Sophia Antipolis), China (Suzhou), Brazil (Belo Horizonte), USA (Raleigh - NC State campus) and South Africa (Stellenbosch - January 2020).

The school offers a wide range of management programmes, taught in English and in French, at Bachelor, Master and Doctoral levels, as well as Executive Education. SKEMA is positioning itself as the leadership school, training the pioneer knowledge economy decision-makers throughout the world.

In pursuing its ambitious global project, SKEMA seeks to stay at the forefront of innovation and education. We are therefore looking for women and men who reflect the school's values: academic excellence, humanism and multiculturalism. SKEMA's Faculty comprises more than 170 Professors. Their expertise allows us to provide educational programmes addressing the opportunities and challenges of a global environment. Structured around five research centers covering all major areas of business, and three Academies - Globalisation, Innovation and Digitalisation -, SKEMA offers great career opportunities for ambitious researchers.

ABOUT RESEARCH

The MERCUR research centre is dedicated to promoting top-level research and best practices in marketing and consumer culture, with a particular focus on the retailing context. The research centre organises regular research seminars and events such as workshops for researchers, research-oriented after-work events for executives and managers and conferences.

MERCUR's main objective is the study of the market dynamics occurring between consumers and institutions (*i.e.* companies, non-profit organisations and public institutions), in particular to develop an understanding of the meanings and importance attributed by consumers to their experiences with brands, products, services and points of sale. Our members have expertise in a variety of topics such as identity and consumption culture, transformative consumption and sustainability, digital marketing, e-commerce and commercial evolutions.

SKEMA Business School offers publication bonuses for peer-reviewed publications, following the French CNRS Journals Ranking list.
