#### Introduction

University of Bologna was founded in 1088, UNIBO is considered the oldest university in the Western World. UNIBO boasts over 86,000 students enrolled, 33 departments, 11 schools, 5 campuses, and nearly 6,000 employed as instructors or support staff. UNIBO offers 43 international degree programs, 21 of which are delivered in English; 51 PhD programs, 47 specialization schools, and 64 Master's programs. This heterogeneous nature diversified structure and investment in the professionalization of support services ensures solid institutional support for the research fellow and their team.

The Post-Doctoral Research Fellowship will be hosted by the Department of Management DiSA within the Entrepreneurship and Innovation Group. DiSA coordinates several undergraduate, Master's programs, and oversees the activities of Bologna Business School, the business school of the University of Bologna. Additionally, since 1992, DiSA offers a PhD program in Management. DiSA's core subjects are Accounting, Entrepreneurship & Innovation, Finance, Marketing, Organization and Strategy. DiSA ranks first among the Italian departments in the area of Economics, Management and Statistics (according to the 2017 "Dipartimenti di eccellenza" review).

The Entrepreneurship and Innovation Group includes 7 full, 3 associate and 6 assistant professors, 4 post-docs and 5 PhD students. In the last 5 years, it has won grants and contracts amounting to 2M+€ for large-scale projects, including the TASTE project (Taking Stock: External Engagement by Academics <http://www2.sa.unibo.it/taste/>), financed under FP7-CIG-MARIE-CURIE-ACTION (PI Fini R.). The members of the Entrepreneurship and Innovation Group publish regularly in journals such as Academy of Management Journal, Academy of Management Perspectives, Entrepreneurship Theory & Practice, Journal of Business Venturing, Journal of Management Studies, Management Science, Research Policy, Strategic Entrepreneurship Journal and Strategic Management Journal.

### **Project Description**

The Research Fellow will be employed within the project "Student Entrepreneurship in Italy", under the supervision of Prof. Riccardo Fini.

### **Further Information**

Applicants who require further information about the research project may contact Prof. Riccardo Fini at the following e-mail [riccardo.fini@unibo.it](mailto:riccardo.fini@unibo.it).

### **Starting date:**

The selected candidate will be invited to sign a research contract with the DiSA by Friday, February 28, 2020.

### **Official call for application:**

The official call is available at the following link:

### **Comparative assessment of the candidates**

The candidates will be assessed comparatively by an evaluation panel. The selection procedure focuses on the examination of the selection criteria laid down in advance by the evaluation panel, the candidates' scientific-professional curriculum including the scientific work and publications, as well as an interview, aimed at verifying the suitability of the candidate for carrying out the research program. During the interview, the evaluation panel will also verify the candidates' knowledge of Italian and English languages.

The list of candidates admitted to the interview will be published on the notice board of the DIPARTIMENTO DI SCIENZE AZIENDALI, Via Capo di Lucca 34, city BOLOGNA, on Thursday, December 05, 2019, as well as on the following website:

<http://www.scienzeaziendali.unibo.it/en/departament/administration/calls-for-application-issued-by-the-department-of-management>

## **Job Application**

Applications should be sent through an online system. This is a public call from a public University. The online system is the only channel that you can use to complete your application, therefore please follow the instructions properly.
