Academic Positions

Full time Faculty and Academic Manager positions at SP Jain School of Global Management. Location: Dubai, Mumbai, Sydney.

About Us: We are a leading global business school with international campuses in Dubai, Mumbai, Singapore and Sydney, and home to one of the world's top MBA programs (ranked year after year by reputed publications such as Forbes, Financial Times and The Economist). The School is deeply committed to 'reimagining business education' and educating and shaping tomorrow's global business leaders with cutting-edge and industry-relevant curriculum. SP Jain is registered as a Higher Education Provider and its programs are accredited by the Tertiary Education Quality and Standards Agency, TEQSA Australia.

What we are looking for: SP Jain distinguishes itself as a futuristic, pro-corporate and technology-driven B-school. Our academic staff are passionate about teaching and have extensive industry experience. They come from diverse professional backgrounds and bring a wealth of knowledge into our classrooms. Teaching at SP Jain requires in-depth knowledge and good exposure to the latest global developments in the respective subject areas. Our faculty assimilate the business management theory well along with deep insights from the industry practices while delivering various contemporary case studies, articles, live examples, and global reports, etc. in class. The teaching environment is highly interactive, and activity-based, using modern pedagogy, tools, and infrastructure.

Full time Faculty role: Teaching, Mentoring, Research, and relevant academic leadership duties

Academic Manger role: Teaching support, Mentoring, Research, and administrative duties

KEY THEMATIC AREAS

ANALYTICS, DATA SCIENCES and AI AREA: Advanced Mathematics, Applied Statistics, Decision Making, Databases, Calculus, Applied Machine Intelligence, Deep Learning, Predictive and Prescriptive Analytics, Optimization, Social web analytics etc.

GLOBAL LOGISTICS, SUPPLY CHAIN AND OPERATIONS MANAGEMENT AREA: Logistics Operations, Supply Chain Digitization, Transportation, Warehouse Management, Demand Management, Strategic Sourcing, Lean Supply Chain, Simulation etc.

GLOBAL FINANCE and ACCOUNTING area: Financial Markets, Corporate Valuation, Derivatives, Financial Risk Management, Mergers and Acquisitions, Portfolio Management etc.

LEADERSHIP and OB AREA: Leadership Excellence, Communication, Negotiation, Cross cultural management, Business acumen, Innovation, Value Creation, Change Management, Simulations

We need: An outstanding teaching record with high impact teaching engagement, good corporate exposure, research or consultancy in applied management practices along with suitable post graduate qualifications and PhD are the key selection criteria. Minimum professional experience required for Full-time faculty is 10 years and Academic Managers is 5 years. Encouraging diversity and talent, applications are invited from candidates of all nationalities.

Our screening process is highly competitive and is aimed at identifying the best applicants who can help the School become an influential education provider and contribute significantly towards our pursuit of “Crafting Global Business Leaders”
