### **ESCP Business School, Paris campus**

#### **Postdoc of Business Analytics**

ESCP Business School seeks applications for a postdoc position in Business Analytics with a starting date of January 1st, 2022. We are looking for a candidate who is motivated to conduct research, teach and exhibit organizational citizenship at ESCP's Paris campus.

#### **Requirements**

- A PhD (or equivalent international degree) in information systems, operations research, data science or related fields.
- A demonstrated track record of, or demonstrated potential for, publishing research in high quality academic journals (information systems and/or operations research).
- People interested in pursuing an academic career are particularly encouraged to apply, as previous postdocs in our research group have continued into academic positions.

Those close to completion of their PhD may be considered for appointment.

#### **Responsibilities**

It is anticipated that the successful applicant will contribute to discipline-based scholarship with outputs including peer reviewed publications at international standard. The successful applicant should be willing to teach in our MSc of Big Data & Business Analytics at the Paris campus ([e.g.](#), data analytics, analytical modelling, optimization, digital transformation, information management, etc.).

#### **Application details:**

The position is for 18 months with the possibility of an extension. The position is open to anyone with a recent PhD in MIS, Data Science, Operations Research or a closely related field. Interested applicants are encouraged to contact Professor Wei Zhou ([wzhou@escp.eu](mailto:wzhou@escp.eu)) with any questions.

**Closing date: rolling basis until filled**

We will begin reviewing applications as they are received. **Formal interviews will start immediately on the rolling basis.** To be considered for the position, please send an email to [wzhou@escp.eu](mailto:wzhou@escp.eu) including the following documents:

1. a letter of interest (including a brief outline of the candidate's motivation);
2. a curriculum vitae;
3. samples of scholarly writing ([e.g.](#), published research or working papers);
4. copies of diplomas;
5. contact information of 3 references.

**About ESCP Europe**

Established in 1819 and triple-crown accredited (EQUIS, AMBA, AACSB), ESCP Business School welcomes more than 5,000 students and 5,000 executives from 90 nations every year, offering them a wide range of general management and specialized programs. ESCP Business School is further strengthening its unique international value proposition to students and the research community by growing in the disciplinary area of business analytics in the department of Information & Operations Management.

For more information about the school please visit our website on [escp.eu](http://escp.eu)
