### **Associate/Full Professor in Financial Data Science**

To participate to the continuous development of the EDHEC Master and Bachelor Programs, EDHEC Business School is recruiting a Professor of Financial Data Science or Fintech. This position requires a strong track record in research. We are also open to excellent candidates with relevant industry experience, willing to take up responsibilities in program management. The successful candidates are expected to actively teach and to participate to the EDHEC agenda in Pedagogical Innovation. Ability/experience in blended learning and/or e-learning is appreciated.

EDHEC offers great career development opportunities for Faculty members.

Location will be on the Nice campus.

#### **Qualifications**

- PhD degree in Finance or equivalent
- Demonstrated ability to teach in academic programs
- Energy, dynamism, conviction
- Desire to actively engage in all areas of Faculty life
- Personal and professional ethics
- Excellent communication skills
- High level of fluency in English

We strongly encourage people of all backgrounds (gender, ethnic background, nationality).

Candidates are invited to send a cover letter, a resume, a list of publications, a list of classes taught (and evaluations) and the names and contact information of two referees to
