Faculty Positions

School of Management and Economics

The Chinese University of Hong Kong, Shenzhen

School of Management and Economics (SME) at The Chinese University of Hong Kong, Shenzhen (CUHK-Shenzhen) welcomes applications for faculty positions across all ranks.

ABOUT CUHK-SHENZHEN

The university was founded in March 2014 in accordance with the Regulations of People's Republic of China on Chinese-Foreign Cooperation in Running Schools upon the approval by National Ministry of Education. With the adherence to the philosophy of modern education and academic system of The Chinese University of Hong Kong, CUHK-Shenzhen is committed to providing top-quality higher education that features an integration of the East and the West and fostering an enriching research environment. It is CUHK-Shenzhen's mission to cultivate innovative talents with global perspectives, Chinese cultural traditions and the sense of social responsibility.

Over the past seven years, the university has established seven schools, namely the School of Management and Economics, the School of Science and Engineering, the School of Humanities and Social Sciences, the School of Life and Health Sciences, and the School of Data Science, the School of Medicine and the School of Music offering 22 undergraduate programs and 25 postgraduate programs. The university's undergraduate admission score has been the highest among universities in Guangdong Province for the last six consecutive years. Liberal arts students admitted normally rank within the top 1% of candidates in most provinces and cities, and science students admitted rank within the top 2%.

ABOUT SME

Established in 2014, SME pursues high academic and teaching standards. Spearheading a globally-oriented environment for business education and research in China, SME links China's substantial educational and research resources with the world. Strategically located in Shenzhen, SME offers

world-class business programs for the advancement of students' understanding of economics and management with the vision to contribute to the construction of the first-class center of scholarship in management and economics as well as the development of Guangdong-Hong Kong-Macao Greater Bay Area.

SME has made substantial progress since its establishment. The school now has 108 full-time faculty members in seven academic areas including accounting, economics, finance, management, marketing, operations management, and information systems; and offers six undergraduate programmes, six full-time postgraduate programmes, three part-time postgraduate programmes, and two PhD programmes. In this academic year, SME has in total 2,845 undergraduate students, 1,337 postgraduate students and 33 PhD students.

SALARY AND BENEFITS

Salary is market-based and competitive, commensurate with experience and academic accomplishments. Various subsidies and funds from government and the university are available for application.

OTHER SUPPORTS

1. Visiting scholar: can start as visiting scholar
2. Research: generous research grants are available; comprehensive databases, research (teaching) assistants and administrative secretary are equipped;
3. Housing: on-campus staff residential apartments and government housing;
4. Other: children's schools (affiliated kindergarten, primary school and junior middle school), assist spouse in employment, and provide supplementary commercial insurance.
