The Leibniz Institute for Financial Research SAFE – Sustainable Architecture for Finance in Europe – at Frankfurt am Main, Germany, promotes high-quality research and independent policy advice on all aspects dealing with the structure and functioning of the financial system. It is committed to contributing to the strengthening of a sustainable and resilient financial architecture that promotes innovation and serves the needs of the economy and its citizens. Researchers from the fields of Economics, Law, and Political Science collaborate at SAFE.

Based on a joint appointment process, SAFE and the Faculty of Economics and Business at Goethe University Frankfurt am Main invite applications for the following two positions as civil servants or public employees starting at the earliest possible date:

- **Associate Professor (W2 with tenure track to Full Professor/W3) of Finance and Macroeconomic Dynamics, leading the Area of Macro Finance at SAFE**
- **Associate Professor (W2 with tenure track to Full Professor/W3) of Money and Finance, leading the Area of Money & Finance at SAFE**

We are seeking two Economists with outstanding research records in the respective fields who will contribute actively to the research activities of SAFE as well as to leading and motivating a team of junior scholars with the aim to produce excellent research output.

The teaching load is two hours per week during the academic semester.

More information on both positions can be found under the following links:

- [Professorship of Finance and Macroeconomic Dynamics](#)
- [Professorship of Money and Finance](#)

The deadline for applications for both positions is 11 September 2022.
