### **Postdoctoral researcher in the domain of accounting and/or finance, specifically carbon and water risk disclosure**

**Language:** English (UK)

**Country:** Luxembourg

**Organisation data:** Department of Economics and Management (DEM)

**Job Number:** UOL05127

**Contract Type:** Fixed Term Contract

**Work Hours :** Hours per Week

**Expected Start Date:** 01/09/2022

**Functions:** Postdoctorant

**Job (internal):** Postdoctoral researcher

The Department of Economics and Management of the Faculty of Law, Economics and Finance of the University of Luxembourg is looking for a Postdoctoral researcher to conduct quantitative research in the domain of accounting and/or finance, specifically carbon and water risk disclosure.

#### **Your Role...**

The postdoctoral researcher will be working under the supervision of Associate Professor Thomas Kaspereit. In particular, the Postdoctoral researcher will be in charge of:

- Collecting and analyzing quantitative carbon and water risk data
- Coordinate collaboration with an international team of researchers (Canada)
- Publication of articles in scientific reviews and contributions to conferences
- Preparing project reports to the Luxembourg National Research Fund

### Qualifications...

We are looking for a candidate with a PhD in accounting, finance or related disciplines ([N.B.](#) applications from PhD candidates who will have started their final year of doctoral studies before that date may be considered).

In particular, the following requirements apply:

- Strong interest in empirical quantitative research (empirical archival)
- Proven ability to autonomously conduct research at a post-doctoral level
- Good IT skills @ proficiency in Stata is a mandatory requirement
- Proven ability to work individually as well as part of a team
- Have the linguistic skills to evolve in a multilingual environment: fluency in either English or French, good understanding of the second language and possibly a third language, German in particular, will be considered an advantage
- Excellent communication and writing skills

### In Short...

- Contract type: either 12 months full time or 24 months half time
- Location: Kirchberg
- Job reference: UOL05127

The yearly gross salary for every Postdoctoral Researcher at the UL is EUR 77.167,08 (full time)

In particular, we offer:

- An exciting international and multilingual research environment
- Personal workspace
- Travel opportunities for training and learning
- The University is an equal opportunity employer

### How to apply...

Please apply ONLINE formally through the HR system and include:

- A motivation letter (1 page)
- A copy of the PhD diploma or a letter indicating the expected defense date
- A detailed curriculum vitae with a complete bibliography of published works
- Copy of a publication (job market working paper or excerpt from PhD thesis)
- The name, current position and relationship to the applicant, of one referee.

For more information concerning this position, please contact Asc. Prof. Thomas Kaspereit, email: [thomas.kaspereit@uni.lu](mailto:thomas.kaspereit@uni.lu)

To ensure full consideration, candidates should apply by **31 August 2022**.

Applications by email will not be considered. The University of Luxembourg embraces inclusion and diversity as key values. We are fully committed to removing any discriminatory barrier related to gender, and not only, in recruitment and career progression of our staff.

## About us...

The **University of Luxembourg** is an **international research** university with a distinctly **multilingual** and **interdisciplinary** character. The University was founded in 2003 and counts more than 6,700 students and more than 2,000 employees from around the world. The University's faculties and interdisciplinary centres focus on research in the areas of Computer Science and ICT Security, Materials Science, European and International Law, Finance and Financial Innovation, Education, Contemporary and Digital History. In addition, the University focuses on cross-disciplinary research in the areas of Data Modelling and Simulation as well as Health and System Biomedicine. Times Higher Education ranks the University of Luxembourg #3 worldwide for its "international outlook," #20 in the Young University Ranking 2021 and among the top 250 universities worldwide.

The **Faculty of Law, Economics and Finance** offers three Bachelor programmes, four Master programmes of Management and Economics and six Masters of Laws (LL.M.), as well as several continuing education courses. It also includes the Doctoral School in Law and the Doctoral School in Economics and Finance. Around **2,500 students** from **90 different nationalities** are enrolled at the Faculty. Academic staff from 18 different nationalities teach at the Faculty, supported by practitioners from the field, visiting scholars and guest professors. Rooted in Luxembourg but with a **European and international outlook**, the Faculty counts three departments:

- Department of Law
- Department of Economics and Management (DEM)
- Department of Finance

Teaching and research benefit from the proximity of the European institutions, Luxembourg's world-class financial centre ranked second in the world in investment fund asset domicile, and its vibrant business community. Institutional and private sector partnerships, sponsored Chairs, and a growing network of international partner universities make the FDEF a **vibrant academic hub within the University at the heart of Europe**.
