## Research & Teaching Assistant

NEOMA Business School is one of top-tier business schools in France. Our mission is to train and support future managers and entrepreneurs to provide responsible leadership that goes beyond current dominant models of business and leadership. We develop empowering management through world-class rigorous and relevant research that inspires our teaching and learning experiences, reaching all of our stakeholders.

NEOMA Business School is one of the few elite business schools in the world with triple accreditation (AACSB, EQUIS and AMBA). With our three campuses in France (Champagne-Ardenne, Normandy and Paris), we offer the ideal balance between the French savoir-vivre and ready access to the heart of business in Europe. If you are looking to push the frontiers of knowledge in your discipline, and are committed to sharing this knowledge with our stakeholders, you will find NEOMA Business School an ideal place to advance your career.

You hold a Master degree or are a PhD student in Management, you are highly skilled and motivated: become a Research & Teaching Assistant at NEOMA Business School and provide assistance to the Faculty in research and teaching activities.

### Main activities:

#### Research activities:

- Carry out experiments and research according to protocols laid out by the primary researcher, collect and log experimental data
- Conduct quantitative and/or qualitative analyses of data sets and portray results
- Review print and online resources to gather information for literature review
- Check facts, proofread, and edit research documents to ensure accuracy

#### Teaching activities:

- Setup and admin of the innovative iLearning (online) courses on Moodle: Digital Literacy, Digital Transformation & Change Management, Data Management in coordination with the

Faculty member in charge

- Animate the online learning community of students (stimulating learning, time keeping, answering questions, etc.)
- Supervise the grading of students (no correction as it is automated)

**Profile:**

**You have:**

- A Master degree or are a PhD student on a Digital topic applied to management or psychological / social sciences (AI, VR, Metaverse, Digital Transformation, IoT) or in Educational Science with digital (ideally with the above topics)
- Strong analytical skills both with qualitative and quantitative methods

**You are:**

- Motivated
- Committed
- Proactive
- Willing to learn
