Professor of Business, Organizations and Society (Tenured/Tenure-track), Open Rank Division of Social Science NYU Abu Dhabi

The [Division of Social Science](#) at [NYU Abu Dhabi](#) (NYUAD) is searching for new faculty to conduct innovative research and educate the next generation. You are invited to apply for a tenured or tenure-track open-rank position in a new undergraduate program, a [B.A. in Business, Organizations and Society](#). The program is interdisciplinary and focuses on the role and impact of business within society. Established on principles of the liberal arts, the program integrates business theory and application, and prepares students to take on roles in businesses and effectively and holistically examine the implications of business decisions for society from multiple perspectives (*i.e.*, social, political, economic, and cultural).

The program seeks applicants whose research and teaching are rooted in management, organizational studies, or a related area. Applicants should provide a strong record of scholarship, and evidence of potential to develop and lead high-quality research, with national and international significance. Applicants should demonstrate an outstanding track record for their career stage, in both research and teaching. The successful candidate will be expected to develop and maintain a cutting edge, innovative, and highly visible research program; participate in student advising and mentorship; teach graduate and/or undergraduate courses in the area of management, entrepreneurship, social impact, and business analytics; or develop new courses in their area of expertise, as appropriate. This position features a standard teaching load of three courses per year.

The interdisciplinary composition and expertise within the Division of Social Science, as well as the Business, Organizations and Society program, will be used to expand research activities on how businesses influence and are influenced by the societies, political systems, and economies in which they operate. There are many collaboration opportunities within NYUAD, which already houses a number of interdisciplinary research centers and labs, including the Center for Behavioral Institutional Design (C-BID), Center for Interacting Urban Networks (CITIES), and Social Science Experimental Lab (SSEL).

About NYU Abu Dhabi

Established in partnership between New York University (NYU) and the emirate of Abu Dhabi, over the last decade, NYUAD has assembled a remarkable community of scholars, students, researchers, artists, inventors, and others who have contributed to the growth of the UAE's capital as a global hub of knowledge and culture while establishing a new model of higher education for today's complex world.

NYUAD is animated by inspiring and diverse faculty, students, and staff working together in an exciting and dynamic city. As an international center of excellence in teaching and research, our goal is to attract outstanding faculty who are leaders in their fields, encouraging them to create programs that draw outstanding students and provide an intellectually rich environment.

NYUAD students come from more than 126 countries, with no single nationality exceeding more than 15 percent of the total student population. Likewise, our over 320 faculty members represent more than 45 nationalities and bring a global perspective to their classrooms and research projects. NYUAD is committed to building and strengthening a university-wide culture of inclusion, diversity, belonging and equity (IDBE), which is fundamental to the University's commitment to excellence. Visit [our website for more information on NYUAD's commitment to IDBE](#) and how these values are fundamental to our mission.

Students are drawn from among the world's best. They are bright, intellectually passionate, and committed to building a campus environment anchored in mutual respect, understanding, and care. The NYUAD undergraduate student body has garnered an impressive record of scholarships, graduate-school admissions, and other global honors. Graduate education is an area of growth for the University; the current graduate student population of over 100 students is expected to expand in the next decade as graduate programs are added.
