Faculty Positions in Psychology at the University of Limassol

The Department of Psychology of the University of Limassol (UoL) is seeking passionate and dynamic psychologists to fill faculty positions in any of the following areas/disciplines:

- **Clinical Psychology**
- **Cognitive Psychology**
- **Social Psychology**
- **Educational Psychology**
- **Developmental Psychology**
- **Occupational Psychology**

Category: Full-time tenure-track (Lecturer or Assistant Professor Professor)

Applications Closing Date: open until the positions are filled.

Anticipated Starting Date: 1st September 2024

The remuneration package: Internationally competitive salary, depending on appointment status, professorial rank, qualifications and experience. Internationally competitive teaching load, a research start-up package, and a university environment that fosters multidisciplinary collaboration.

The Department of Psychology of the School of Social Sciences and Humanities is a vibrant and research-intensive community, dedicated to excellence in teaching & research, offering both undergraduate and postgraduate programs. We aim to become a key player at national and International levels in the study and practice of human psychology and behaviour.

The University of Limassol (www.uol.ac.cy) puts equal emphasis on excellence in research and in teaching and has an ambitious plan of sustainable growth in scientific disciplines and in international markets. The UoL is based in cosmopolitan Limassol, the base of hundreds of international

companies in technology, finance, professional services, real estate, tourism and shipping as well as a complete range of facilities for hobbies, sports and recreation from sea to mountain sports.

Responsibilities:

- Teach undergraduate and graduate courses in their respective area of specialisation
- Develop and deliver innovative and engaging lectures for F2F and distance learning programs
- Supervise undergraduate and graduate research projects.
- Pursue an active research program, leading to publication in high-rank journals.
- Secure external funding to support research activities.
- Contribute to the mission of the Department through services, including program leadership

Required qualifications: PhD from an accredited University with specialization in at least one of the aforementioned fields. Excellent oral and written command of both English and Greek is essential. A publication record of and commitment to frontier research through publications in high-ranked international journals as well as a strong ongoing research agenda. Evidence of teaching excellence, course and curriculum development and service are also required.

Apply online: go to <http://www.uol.ac.cy/faculty-application/> and complete the application form and upload all relevant documents: (1) a cover letter, (2) a curriculum vitae, (3) a research plan for the next 3 years; (4) two research publication samples; and (5) teaching evaluation scores (if available). Only short-listed candidates will be contacted.
