The Department of Accounting and Control of the Faculty of Business and Economics at the University of Lausanne invites applications for a

Graduate Assistant (PhD) in Accounting and Control

Job information

Starting date: September 1st, 2024

Contract duration:

The initial contract is 1 year. The contract can be renewed twice for two years. The total maximum duration is five years.

Location:

University of Lausanne, Faculty for Business and Economics. The research activities will be carried out in Lausanne, Switzerland, where the candidate should take residence.

Employment rate: 80% the 1st year, then 100% from the 2nd year

Salary: 67'165 CHF (first year) – 78'324 CHF (fifth year) at 100%

Supervisor: The supervisor will be Professor Gaia Melloni

Required qualifications

- A master's degree in Management or a closely related discipline;
- Fluency in English;
- A passion for research;
- Ability to work independently;
- An interest in the topics on which Professor Melloni does research ([e.g.](#), sustainability accounting, disclosure and/or corporate social responsibility);

- Eligible to enter the PhD program of the Faculty of Business and Economics;
- Willing to complete a doctoral thesis in the area of Accounting and Control.

Job description

- A minimum of 50% of the regular working hours will be dedicated to the completion of doctoral studies and realisation of a doctoral thesis;
- A maximum of 50% of the regular working hours will be spent assisting with teaching and research tasks (teaching activities under a professor's responsibility; research work that is not linked to personal research and technical or administrative tasks that pertain the department's teaching or research activities)

Application procedure, deadline and contacts

Please submit the following documents (in English) through this job application platform by 12.05.2024:

- Curriculum Vitae;
- Statement of purpose (Cover letter);
- Research Proposal (please follow the guidelines: <https://www.unil.ch/files/live/sites/hec-phd/files/prog/Man/MGT%20Guidelines%20for%20a%20Research%20Proposal%20April%202022.pdf>);
- All the grade reports of your MA and BA degrees;
- At least one reference letter from a professor;
- If available, a pdf copy of your thesis or other research output.

Applications should be sent only through the Unil website www.unil.ch/carrieres position 21581. Only applications submitted through this website will be considered.

Inquiries about the position should be sent to Professor Gaia Melloni (Gaia.Melloni@unil.ch)
